The Weekly Article from

FATHER SHANE CAMPBELL

I can't believe that I am saying this, but the 2015-2016 school year is just around the corner! It seems like right after the 4th of July is over, you can't walk into a store without seeing brand new school supplies lining the shelves.

I want to again take this opportunity to talk about St. Joseph School. Our school is the oldest institution in Mandan. We have been around for over 100 years and have been providing quality education for students ever since the school was founded. Many generations have attended St. Joseph School and many of them get to share their experiences between grandparent and grandchild or even great-grandparent and great-grandchild. We are blessed to have such a gem in our school. We have some of the best teachers and staff you will ever meet. I encourage any of you who have elementary age children or grandchildren to take a look at St. Joseph School. Our students leave our school well prepared and we are always complemented on how well our students do after their time at St. Joseph School is finished. Our tuition is affordable for everyone. If you would like more information about our school, please contact myself or Valerie Vogel, school principal at 701-663-9563. I would also like to thank all of our parishioners who have continued to support our school financially and prayerfully.

The first part of this week I attended part of the before Steubenville activities with our youth down in St. Paul. We had a wonderful time together. Next week, we will have a report from the youth who attended the conference and what they did while they were away!

Lastly, I hope that you have all enjoyed the addition of the bells into the liturgy. I have been waiting for the right time to introduce them back into our parish and now that we have our servers trained, it is time!

Have a wonderful and blessed week!
Fr. Campbell

Marriage Encounter Upcoming Retreats

Married couples – Consider doing something great for yourselves and your marriage. The Marriage Encounter weekend involves 15 – 20 couples. A series of presentations are given by a team of Catholic couples and a priest. The focus of the weekend is the couple, *not* group sessions. The presentations allow each couple a rare opportunity to look at themselves as individuals, then look at their marriage and relationship to each other, and finally to look at their relationship to God, the church, and the world. After each presentation, the husband and wife have time in the privacy of their room for their own personal discussion.
