*The Weekly Article from***FATHER SHANE CAMPBELL**

Saturday was the Feast of the Assumption honoring our Blessed Mother. We celebrate the doctrine that our Blessed Mother Mary was taken up body and soul into heaven. Because of the Assumption, heaven is no longer a very remote unknown place to us but it is something that is attainable. The Assumption in some ways is like a deposit on the promise of resurrection that Jesus makes to all of us. Mary is assumed into heaven as the forerunner of our own destiny for those who believe in and follow Jesus. Mary is the model of true discipleship and is a powerful intercessor and seeks a relationship with us. Because she is with God and in God, she is very close to each one of us. While she lived on this earth she could only be close to a few people. Being in Heaven with God, Mary shares in this closeness of God. Being with God, she is close to each one of us, knows our hearts, can hear our prayers, can help us with her motherly kindness and has been given to us, as the Lord said, precisely as a "mother" to whom we can turn at every moment. During this next week, let us thank the Lord for the gift of the Mother Mary, and let us pray to Mary to help us find the right path every day.

The school year is getting closer and closer! I can't believe that in a couple of short weeks, our school will be filled with students and teachers ready for the 2015-2016 school year. Please remember to use SCRIPS to make purchases for school uniforms and school supplies! The SCRIP program helps so many aspects of our parish, school, and daycare. Thank you for all those who use the SCRIP program! I ask you to pray for all students, teachers, and school staff that will returning to school. May God bless their school year!

Have a wonderful and blessed week!  
Fr. Campbell

### Marriage Encounter Upcoming Retreats

Married couples – Consider doing something great for yourselves and your marriage. The Marriage Encounter weekend involves 15 – 20 couples. A series of presentations are given by a team of Catholic couples and a priest. The focus of the weekend is the couple, *not* group sessions. The presentations allow each couple a rare opportunity to look at themselves as individuals, then look at their marriage and relationship to each other, and finally to look at their relationship to God, the church, and the world. After each presentation, the husband and wife have time in the privacy of their room for their own personal discussion.
